

ClassicFlame™ Wins 2 Coveted ADEX Awards For Its Innovative Product Designs

Delray Beach, FL May 18, 2007 -Twin-Star International, Inc. a leading North-American manufacturer of ClassicFlame electric fireplace inserts and fine furniture hearth mantels, as well as Tresanti™ Fashion Bath Vanities announced today that it is the recipient of 2 ADEX Awards: Platinum for its Biltmore Electric Fireplace and Gold for it's Built-In "Builders Box" Electric Fireplace Insert.

The prestigious Awards for Design Excellence, or ADEX Awards, are presented annually and are the largest and most prestigious awards program for product design of furniture, fixtures and finishes marketed to the design trade. Design Journal, the international trade publication for interior designers, architects and facility managers, is the proud sponsor of the ADEX Awards.

About the ClassicFlame Built-In "Builders Box" Electric Fireplace Insert (ADEX Gold Award)

The ClassicFlame Built-In "Builders Box" Electric Fireplace Insert provides the ultimate in ambiance and comfort with realistic flame effect, full ember bed and hand crafted glowing log set. Functioning glass doors, retractable fire screen, brick interior walls and ceiling, and a multifunction remote are all standard. The zero-clearance design allows flush mounting to drywall, tile, or installation into a finished wall opening. The patent-pending "Easy Access" front serviceability is available only from Classic Flame. The heater function can be hard-wired for either 120 volt service (4,600 BTUs), or 240 volt service (9,200 BTUs) and can be controlled with a separate wall thermostat (not included). The fireplace effect can be used with or without heat for year-round enjoyment.

About the ClassicFlame "The Biltmore" Electric Fireplace (ADEX Platinum Award)

The ClassicFlame "The Biltmore" Electric Fireplace with Mirror Top is the perfect addition to any home. The exquisite mantel includes an antique cherry finish, intricate carved details, and a black granite fireplace surround. The heart of The Biltmore is it's newly re-designed full-view electric insert that features a 33 inch viewable area, 1,350 watt heater, realistic flame effect through a hand-crafted glowing log set that operates with or without heat. As in all ClassicFlame models, "The Biltmore" also offers functioning glass doors, retractable fire screen, brick interior walls and ceiling, and a multi-function remote are standard.
